

**THE CHRISTMAS MARKETS OF
REGENSBURG – STEYR – VIENNA**

14 Dec. MUNICH AIRPORT – REGENSBURG

Your tour starts from the Hotel Kempinski at Munich Airport at 2.00pm Please contact our office if you wish to have pre-tour nights booked in Munich city or at the airport.

We travel 1.5hrs north-east of Munich to the city of Regensburg, at the confluence of the Rivers Regen and Danube. Check in at the Achat Plaza Herzog am Dom in the centre of the old town. You have free time, perhaps to start exploring the Christmas Markets that are set up around the cathedral square. Tonight we have dinner in the local Hofbrauhaus. (D)

15 Dec. REGENSBURG

Breakfast at the hotel. A highlight of our tour is a visit to the Palace of Thurn and Taxis – just 10 minutes walk from our hotel through the old town. This magnificent palace emerged from the buildings of the former Benedictine monastery of St. Emmeram. Our visit includes a guided tour of the former state apartment and reception rooms. Inside the courtyard of the palace is a beautiful Christmas Market and you have plenty of time here to enjoy sounds and aromas of Christmas. The afternoon can be spent enjoying the Christmas Markets in the old town or just wandering the narrow streets of the historic district. Dinner at leisure this evening. Your Tour Manager can offer suggestions. (B)

16 Dec. REGENSBURG – STEYR – VIENNA

Today we depart Regensburg and head for Austria, making our way to the town of Steyr. The unique ambience of the Christkindl Town of Steyr during the Christmas season is accentuated by the enchanting Christmas market “Old town of Steyr” in the historic Stadtplatz square. After several hours here to explore the markets and have lunch, we drive the short distance to Vienna and check-in at the Hotel de France. We will have a “farewell” dinner for those leaving the tour and a “welcome” dinner for those joining our Austrian White Christmas tour. (B, D)
